Day Volunteer Application

Thank you for your interest in becoming a day volunteer with Camp Quest of Minnesota, the secular summer camp. The camp will be held at the Voyageur Environmental Center, a leased residential Boys and Girls Clubs facility in Minnetrista, Minnesota. The camping dates are July 25 – July 31, 2010. We plan to have 40 males and females, ages 8-15.

All volunteer positions are unpaid. Unless other arrangements have been made, day volunteers must arrange for their own transportation to and from the site. Day volunteers cannot spend the night at the camp. Camp Quest of Minnesota does not perform background investigations for day volunteers to the same degree as overnight staff. As a result, in order to ensure high standards of safety and accountability, a full-time staff member will need to be present *at all times* a day volunteer is in the presence of minor campers or CITs. A full-time camp staff member will be assigned to assist in all activities.

Please complete, sign, and return this application at your earliest convenience. Applications will be reviewed by the Camp Quest Volunteer Committee. All information will be held in the strictest of confidence. Feel free to contact us if you have any questions.
